

Hampton Fire / Rescue

Home Fire Safety Checklist

- Install and maintain smoke detectors and fire extinguishers.
- Install a carbon monoxide detector.
- Make and practice a family fire escape plan.
- Clear all exits of obstructions
- Keep matches and lighters out of the children's sight & reach.
- Check electrical cords for fraying, cracks, and exposed wires.
- Install ground-fault circuit interrupters in outlets near sink areas and outdoors.
- Keep space heaters at least 3 feet away from anything that can catch fire.
- Turn off space heaters and blow out candles before leaving a room or going to bed.
